AGENDA TITLE: Recycling Market Development Zone Application Findings of Exemption

MEETING DATE: October 19, 1994

PREPARED BY: Kirk J. Evans, Administrative Assistant to the City Manager

RECOMMENDED ACTION: That Council review and approve the attached amended Resolution 94-123 and Notice of Exemption.

BACKGROUND INFORMATION: At the meeting of October 5, 1994 Council adopted Resolution No. 94-117 approving the City of Lodi as a co-applicant in the submittal of a Recycling Market Development Zone (RMDZ) application. Staff has learned the four underlined sections on the attached amended resolution are required by the Integrated Waste Management Board. In addition, the attached Notice of Exemption also requires Council approval. Future specific projects undertaken in the RMDZ (in Lodi or elsewhere) will be subject to CEQA environmental review. Depending on proposed project location, size and scope, uses proposed and project setting, the environmental review could be in the form of a categorical exemption, negative declaration, EIR, or a focussed or addendum EIR. The RMDZ itself however, is categorically exempt from CEQA.

FUNDING: None required.
